**End Application:**

For pccn c908 5 ton truck

**Special Features:**

Main harness run is 84.75ins for front main wiring assembly; cable specifications per mil-c-13486; assembly comprises 48plugs and 17terminals; conductor is single stranded copper size 14 awg; voltage rating per conductor is 30.0 dc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
