Radio Frequency Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5995-00-456-0103

Overall Length:
65.000 inches
Termination Type:
Connector internal angle both ends single conductor
Terminal Manufacturer Identifying Reference Number:
8903 2nd end single conductor
Terminal Commercial And Government Entity Code:
07145 both ends single conductor
Style Designator:
Dual internal angle connector
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
