Special Features:

X3 stranded conductor cable, part no.5180092822-1, fscm13499, no.14 awg 41 strands no.30 awg, 34 ft lg.O/a, first end oneconnector no.7555 fscm 74545, second end three mounting lugs part no.Ms25036-106, circuit identification no.5180083662

Fsc Application Data:

Test set, radio, except specially designed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
