**Special Features:**

9cable data; type designation mil-c-13777; 8 conductors, neoprene jacket conductor data: 8 conductors, copper, no. 22 awg, plastic insulation shield data: 1 conductor covered by separate shield, 8 conductors covered by shield, twisted shielded pair terminal data: terminal fitting on branch a, connector, plug, electrical, u-316/u, terminal fitting on branch b, connector, plug, electrical, mil-c-55116, u-299/u, terminal fitting on branch c, connector, plug, electrical mil-c-26432, ms3116j-12-10p

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
