Special Features:

Cable data; type designation mil-c-13777; 12 conductors, neoprene jacket conductor data: 12 conductors, copper, no. 22 awg, plastic insulation shield data: 1 conductor covered by separate shield, 12 conductors covered by shield, twisted shielded pair terminal data: terminal fitting on branch a, connector, plug, electrical, u-316/u, terminal fitting on branch b, connector, plug, electrical, u-316/u terminal fitting on branch c, u-316/u

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
