End Application:

Airborne flight command post, 4871/616a

Special Features:

Printed wiring flexible cable 1, led (light emitting diodes 22, displays, numeric 6, resistor network 2, insulator, converter 22, connector shell 2,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
