Special Features:

Material: insulation, electrical synthetic resin composition non-rigid, mil-1-631, cable cord and wire, electric, mil-c-12000, packing of cables, special purpose, electrical, general specification for mil-w-22777, ---wire, electric, etfe fluorcpolymer-insulated, medium weight, tin-coated copper, 600 volts, mil-w-22759/i6, wire, electric, fluoropolymer - insulated, copper or copper alloy, covered with mylar tape binder, polychloroprene jacket, non-conductive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
