Special Features:

Material: insulation, electrical, synthetic - resin composition, non rigid military, cable assembly and cord assembly, electrical cable and wire, %electrical power and control< mil-c-3885, mil-c-3432, wire, electric, fluoropolymer - insulated, copper wire or copper alloy.Mil-w-22759, cable assembly and cord assembly, packaging mil-c-55442, insulating and jacking compounds, electrical %for cables, cords, and wires

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
