**Overall Length:**

8.000 inches

**End Application:**

Direct support electrical system test set

**General Description:**

Consists of following components clamp-ms25281-f8, bracket connector-12355687, connector-m55302/58la70x, insulation sleeving-1270526-18x6.00 lg, backshell-12355627, connector-12355726-7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
