**Overall Length:**

6.180 inches

**Termination Type:**

Connector internal angle both ends single conductor

**Conductor Quantity:**

1

**Criticality Code Justification:**

Feat

**Special Features:**

Differentiated by application

**Style Designator:**

Dual internal angle connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
