**End Application:**

Lan targeting pod

**Special Features:**

Copper conductors; conductor width .070 ; spacing between conductors .010; copper clad flexible polyimide; annular ring .020; conductor pads anchored; conductor edge distance .015 ; weight not to exceed .03 lbs

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A509c0
