End Application:

Lan targeting pod

Special Features:

Copper conductors; conductor width .070 ; spacing between conductors .010; copper clad flexible polyimide; annular ring .020; conductor pads anchored; conductor edge distance .015 ; weight not to exceed .03 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A509c0
