

View Online at <https://aerobasegroup.com/nsn/5995-01-317-3461>

**Overall Length:**

8.000 inches

**End Application:**

Guardrail common sensor

**Termination Type:**

Prod terminal 1st end first conductor

**Conductor Quantity:**

2

**Terminal Manufacturer Identifying Reference Number:**

Mil-c-39012/2 1st end first conductor

**Terminal Commercial And Government Entity Code:**

81349 1st end all conductors

**Special Features:**

Circuit identification w3195

**Style Designator:**

Internal connector

**Fsc Application Data:**

Communication equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0

**Mil-std (military Standard):**

Mil-c-39012 spec.
