Overall Length:

60.000 inches

Terminal Manufacturer Identifying Reference Number:

Ms3106a16-10s 1st end single conductor

Terminal Commercial And Government Entity Code:

96906 1st end single conductor

Special Features:

1cable clamp

Style Designator:

Jack and external connector

Fsc Application Data:

Communication equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
