Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5995-01-348-5511

Cross Sectional Shape:
Flat
Overall Length:
28.000 inches
End Application:
Uhf radio ts-3919/arm-173
Termination Type:
Flat cable connector male straight both ends all conductors
Terminal Manufacturer Identifying Reference Number:
3-87456-5 both ends all conductors
Terminal Commercial And Government Entity Code:
00779 both ends all conductors
Style Designator:
External connectors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
