End Application:
4935-01-262-0017 test set, guided missile system, cruise missile
Termination Type:
Connector plug 1st end single conductorunprocessed 2nd end single conductor
Leadlength:
27.000 inches
Criticality Code Justification:
Feat
Conductor Form:
Stranded single conductor
Special Features:
Ec-1 code
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
