Overall Length:

140.000 inches

End Application:

Next generation radar (nexrad)

Termination Type:

Connector both ends single conductor

Conductor Quantity:

1

Conductor Form:

Solid all conductors

Material:

Copper core conductor single conductor

Style Designator:

Internal and external connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
