Radio Frequency Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5995-01-358-4446

Overall Length:
140.000 inches
End Application:
Next generation radar (nexrad)
Termination Type:
Connector both ends single conductor
Conductor Quantity:
1
Conductor Form:
Solid all conductors
Material:
Copper core conductor single conductor
Style Designator:
Internal and external connector
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
