| Overall Length: |
|----------------------------------------|
| 140.000 inches |
| End Application: |
| Next generation radar (nexrad) |
| Termination Type: |
| Connector both ends single conductor |
| Conductor Quantity: |
| 1 |
| Conductor Form: |
| Solid all conductors |
| Material: |
| Copper core conductor single conductor |
| Style Designator: |
| Internal and external connector |
| Shelf Life: |
| N/a |
| Unit Of Measure: |
| |
| Demilitarization: |
| No |
| Fiig: |
| A077a0 |
| |
