**Overall Length:**

2.000 feet

**End Application:**

Lantirn system

**Conductor Quantity:**

2

**Criticality Code Justification:**

Feat

**Special Features:**

Export control; dissemination only as directed by aeronautical systems div lantirn system program office<asd-vl> wright patterson afb; item same as pn 5505 cage 23936 <6150-01-045-3775> except for marker

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A077a0
