Overall Length:

2.000 feet

End Application:

Lantirn system

Conductor Quantity:

2

Criticality Code Justification:

Feat

Special Features:

Export control; dissemination only as directed by aeronautical systems div lantirn system program office<asd-vl> wright patterson afb; item same as pn 5505 cage 23936 <6150-01-045-3775> except for marker

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
