**Overall Length:**

6.000 inches

**Termination Type:**

Nut coupling electrical conduit both ends all conductors

**Conductor Quantity:**

2

**Material:**

Steel core conductor single conductor

**Surface Treatment:**

Copper core conductor single conductor

**Style Designator:**

Internal connectors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
