Overall Length:

4.500 inches

Termination Type:

Connector 1st end single conductor

Conductor Quantity:

1

Special Features:

Second end of assembly, adapter with stripped wires

Precious Material And Location:

Adapter surface gold

Precious Material:

Gold

Surface Treatment:

Gold core coating all conductors

Style Designator:

Internal connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
