Overall Length:

67.000 inches

Termination Type:

Connector both ends single conductor

Conductor Quantity:

1

Strand Quantity Per Conductor:

7 single conductor

Conductor Form:

Stranded single conductor

Material:

Copper core conductor single conductor

Precious Material:

Silver

Surface Treatment:

Silver core conductor single conductor

Style Designator:

Internal angle and internal straight connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
