End Application:

B-2 acft

Unit Package Quantity:

3

Component Document Origin:

Industrial

Document Source:

03640

Document Type:

Parts list

Component Document Page Number:

1

Document Identification:

PI196a594

Criticality Code Justification:

Feat

Special Features:

Phased matched/preshaped cable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
