End Application:

Rf-5033pa-150 power amplifier; rf-382a-14

Termination Type:

Connector internal straight 2nd end single conductor

Conductor Quantity:

1

Conductor Form:

Solid, tubular single conductor

Product Name:

Rf coaxial cable assembly for rf-5033pa-150 power amplifier

Style Designator:

Internal angle and internal straight connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
