Overall Length:

360.000 inches

End Application:

5865-01-437-4914

Termination Type:

Connector receptacle 1st end single conductor

Product Name:

Cable assembly, special purpose, elec - server/uav telemetry

Terminal Manufacturer Identifying Reference Number:

Ms27467t11f13p 2nd end single conductor

Terminal Commercial And Government Entity Code:

96906 2nd end single conductor

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
