| End Application:                        |
|---|
| Aviation life support system            |
| Termination Type:                       |
| Connector plug both ends all conductors |
| Strand Quantity Per Conductor:          |
| 19 all conductors                       |
| Round Conductor Size:                   |
| 28 awg all conductors                   |
| Strand Awg Size Per Conductor:          |
| 40 all conductors                       |
| Material:                               |
| Copper core conductor all conductors    |
| Surface Treatment:                      |
| Tin alloy core conductor all conductors |
| Shelf Life:                             |
| N/a                                     |
| Unit Of Measure:                        |
|   |
| Demilitarization:                       |
| No                                      |
| Fiig:                                   |
| A077a0                                  |
