Overall Length:

1.8 meters

End Application:

Automated weather observing systems (awos)

Termination Type:

Flat cable connector male straight both ends all conductors

Special Features:

Function, awos printer cable; reference data, ti-6560.21b, awos, pg 8-4

Style Designator:

Internal connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
