Overall Length:

12.000 inches

End Application:

Alr69 mod kit

Conductor Form:

Stranded 1st conductor

Material:

Silver 2nd position conductor first conductor and copper 2nd position conductor first conductor

Precious Material And Location:

Coated conductors silver and plated connectors gold

Precious Material:

Silver and gold

Style Designator:

Internal angle and internal straight connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
