**Overall Length:**

12.000 inches

**End Application:**

Alr69 mod kit

**Conductor Form:**

Stranded 1st conductor

**Material:**

Silver 2nd position conductor first conductor and copper 2nd position conductor first conductor

**Precious Material And Location:**

Coated conductors silver and plated connectors gold

**Precious Material:**

Silver and gold

**Style Designator:**

Internal angle and internal straight connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
