**Overall Length:**

118.000 inches

**End Application:**

7010-01-391-0168

**Conductor Quantity:**

13

**Special Features:**

Connectors-13w3 male with .112-40 jackscrews, ferrite beads molded onto cable; cable-28 awg stranded, three 28awg 75 ohm precision coa (stranded center conductor) shielded and pvc jacketed.Coppewr cans 360 degrees soldered on connector shells and to cable shield.Solder per mil-hdbk-454, guideline 5

**Style Designator:**

Internal connectors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
