Overall Length:

118.000 inches

End Application:

7010-01-391-0168

Conductor Quantity:

13

Special Features:

Connectors-13w3 male with .112-40 jackscrews, ferrite beads molded onto cable; cable-28 awg stranded, three 28awg 75 ohm precision coa (stranded center conductor) shielded and pvc jacketed.Coppewr cans 360 degrees soldered on connector shells and to cable shield.Solder per mil-hdbk-454, guideline 5

Style Designator:

Internal connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
