| End Application:                                |
|---|
| An/alm-289 hm                                   |
| Termination Type:                               |
| Connector 1st end all conductors                |
| Conductor Quantity:                             |
| 15  |
| Cable Assemblylength:                           |
| 180.000 inches                                  |
| Product Name:                                   |
| Blanking/mux coax interconnect harness assembly |
| Branch Quantity:                                |
| 15  |
| Material:                                       |
| Copper core conductor all conductors            |
| Shelf Life:                                     |
| N/a   |
| Unit Of Measure:                                |
|   |
| Demilitarization:                               |
| No  |
| Fiig:   |
| A077a0  |
|   |
