End Application:

Antenna, ail systems inc., model dm n4-33

Unpackaged Unit Length:

35.760 inches

Component Quantity:

6

Component Document Origin:

Industrial

Document Source:

85226

Document Type:

Mfr drawing

Document Identification:

261d1553

Special Features:

3 connectors are type tnc male asspecified by mil-c-39012

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
