Cross Sectional Shape:

Round

End Application:

5895-01-467-7213

Termination Type:

Connector plug both ends all conductors

Conductor Form:

Stranded all conductors

Product Name:

Cable assembly, signal mini din 9p to mini din 8p

Round Conductor Size:

24 awg all conductors

Special Features:

length 6 ft on inches; double shielded copper braid and aluminum mylar cable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
