End Application:

F-15 ests test set

Product Name:

Gpib mxi cable assembly

Special Features:

This cable cut in half and used to produce ref numbers cage 26512 part numbers a31u18340-1 with one half and a31u18340-2 with other half

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
