**Cross Sectional Shape:**

Coil/cord

**Conductor Quantity:**

24

**Product Name:**

Cbc24 series ieee-488 cable

**Special Features:**

This premium series has one conventional male-female connector. The other end terminates to a straight male-only connector, a feature sometimes preferred when there is no need to have a female end exposed. This cable is most useful when the dual-right angle connectors get in the way of other system cables and particularly in a computer back plane.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fiig:**
