Overall Length:

13.000 inches

End Application:

An/tpq-3 (v)

Termination Type:

Terminal lug both ends single conductor

Terminal Lug Aperture Size:

0.330 inches both ends single conductor

Terminal Lug Style:

Straight w/mounting hole both ends single conductor

Terminal Manufacturer Identifying Reference Number:

Mil-t-7928 both ends single conductor

Terminal Commercial And Government Entity Code:

81349 both ends single conductor

Special Features:

Band markings read w107

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0

Mil-std (military Standard):

Mil-t-7928 spec.
