End Application:

Video data distribution system - p/n 7623035 (53711) ddg2317 & 2318; video data distribution system - p/n 8293735 (53711) ddg911102;
aegis system level apl, ddg2317 & 2318

Termination Type:

Connector plug all ends all conductors

Product Name:

Video adapter cable

Branch Quantity:

2

Special Features:

Connectors - hd-15 pin male to 3 bnc panel mount, solder with 36 inch run-out; cable - ul2919, 5c mini coax, 75 ohms, pvc jacket w/ferrite choke

Precious Material And Location:

Contact and shell plating gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
