End Application:

Mrap - unique nsn - rg33 plus cat ii

Cable Assemblylength:

445.000 inches

Product Name:

Wiring harness, door assist controls (6w32)

Branch Quantity:

6

Special Features:

Power box terminal is d38999/26wc98pn connector; branch having 3 branches offshute each have a ms20659-101, 20awg terminal; 5th and 6th branches have d38999/26wa98sn connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
