End Application:

Lugger propulsion engine p844-2

Product Name:

Diode harness addition

Special Features:

Next higher assembly medium frame alternator options 12 volt, 51 amp and 24 volt, 35 and 40 amp, group 5, electrical system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
