**End Application:**

Lugger propulsion engine p844-2

**Product Name:**

Diode harness addition

**Special Features:**

Next higher assembly medium frame alternator options 12 volt, 51 amp and 24 volt, 35 and 40 amp, group 5, electrical system

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
