Radio Frequency Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5995-01-590-4378

Overall Length: 22.000 inches End Application: Elec equip assembly, rf; cass/otps Termination Type: Connector external angle both ends single conductor Conductor Quantity: 1 Special Features: Right angle sma male to right angle sma male m42 cable at 22 in. Long; temp range: m55.0 to p200.0; insertion loss: 0.18 ft at 2 ghz Style Designator: External angle connectors
Elec equip assembly, rf; cass/otps Termination Type: Connector external angle both ends single conductor Conductor Quantity: 1 Special Features: Right angle sma male to right angle sma male m42 cable at 22 in. Long; temp range: m55.0 to p200.0; insertion loss: 0.18 ft at 2 ghz Style Designator: External angle connectors
