**Overall Length:**

25.000 feet

**Conductor Cross-sectional Shape:**

Tubular solid all conductors

**Special Features:**

Ourflex; super flexible; coaxial with a spiral shield; 21 awg center conductor; shield is conductive and made of copper; short boot coaxial connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
