End Application:

Ael dcn -o-o

Conductor Form:

Solid, tubular single conductor

Product Name:

(inavy) cable serial, programming unit

Special Features:

Item includes: programming unit serial cable p/n iag-a1305 cage z5310; bulgin p/n px0739/5 with cable support assembly; db9; next assembly/used on: 8226393/8226393; 8226394/8226394; length: 13ft, 1.6in; dwg is arms export controlled

Style Designator:

Internal and external connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
