**End Application:**

AN/T-SM-214-A;NS

**Product Name:**

25 foot calibration verification cable

**Special Features:**

Precision, known length and electrically characterized cable and certificate of calibration furnished with cable; requirements of navair 17-20ay-50

**Special Test Features:**

Selected and tested to meet calibration, see features

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
