Overall Length:

13.0 inches

End Application:

5895-01-627-0485

Termination Type:

Connector internal straight 1st end single conductor

Product Name:

Cable assembly, special purpose, electrical

Special Markings:

Assy 204116-13

Style Designator:

Internal angle and internal straight connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
