Overall Length:

6.800 inches

Overall Height:

1.000 inches

Overall Width:

5.570 inches

Special Features:

Mounting method: rack; major components: capacitor, diode, microcircuit, resistor, transistor, printed wiring board; mounting configuration: plug-in mtg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
