Overall Length:

3.125 inches

Overall Width:

0.500 inches

End Application:

An/urt-2-3 and 4

Component Type And Quantity:

1 rack and 1 screw

Special Features:

Mounting method: mounted on capacitor coupling; usage design: used in tuning capacitors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
